Dear Mr. Zumwalt:

Re: Conditional Approval, Open Coal Storage Amendment, Utah Fuel Company,  
Skyline Mine, ACT/007/005-91J, Folder #3, Carbon County, Utah

The submittal received on October 16, 1991, regarding the above noted permitting action was reviewed and found to be adequate by the Division's technical staff.

The Division hereby conditionally approves the above referenced action. Final approval is contingent upon our receipt of an approval order from the Bureau of Air Quality allowing the open coal storage. Construction of the surface coal storage facility should not commence until the above condition is satisfied. Thank you for your cooperation in this matter.

Sincerely,

Daron R. Haddock  
Permit Supervisor
